Bài học diệt tham nhũng tại Mỹ: bầu những người không thể bị mua chuộc bởi vì đã quá giàu một cách chân chính và đã thực sự thành công, không dám làm bậy để tán gia bại sản không dám đánh bạc chính trị. với tài sản chân chính của mình ..nhưng bị lòng vị tha thúc dục... muốn trả ơn quốc gia đã cho họ sự thành công có trách nhiệm vì quá thương yêu con cháu... .. Lòng thương yêu con cháu ruột thịt dạy cho bài học trách nhiệm phải có cho thế hệ tiếp nối Bầu các tỷ phú ... Tỷ phú Trump đánh thức lòng yêu nước chân chính của các tỷ phú khác ... giống như 1 ngọn nến thấp sáng các ngọn nến Người xưa gọi là "Vô tận đặng"

This year, we're thankful for the hundreds of courageous legislators who supported Convention of States legislation in 2016.

Their commitment inspired us. Many spoke boldly and sacrificed their time and resources, educating the public on Article V.

So from all of us at Convention of States, thank-you for your steadfast commitment to preserving liberty for future generations.

One method of money laundering by politician is to write books with million fake buyers and fee for University Speak

The best way to make USA in peace is to bring all criminals: Obama (start with birth certificate), Hillary (email), Bill (Clinton foundation), Comey, Lynch, Soro, all millionaire, billionaires crooked politicians...Media lying, fake poll (CNN, ABC, CBS). to the court The truth will make all American happy and heal the wounds of the nation and clean up the brainwashed/indoctrinated mind ...

How bring the criminals to the court ??? Start with thing Obama scared the most "Re-Investigation for 9/11"

"First of all, the original 9/11 investigation is a total mess and has to be reopened...How do two planes take out three buildings in the same day? I never got my head around the fact that nothing is mentioned about the destruction of Building 7 in the 585-page document...Why did the administration at the time not take legal means against Saudi Arabia? Weren't 19 of the high-jackers from Saudi Arabia? Americans deserve answers and I will definitely request a new investigation so that this horrible tragedy never happens again." - Donald Trump's comment's at a Republican rally in Henrico County, Virginia"

<http://yournewswire.com/trump-im-reopening-911-investigati.../>

Starting with the re-investigation for 9/11/2001

Obama is the most stupid talkative childish dogmatic POTUS ... self-absorption, self-aggrandizement, self-importance, self-pity, self-righteousness, self-deception, self-justification

It is the habit of Dogmatic DEMS, socialist, globalist ... influenced by ideology + dreaming that they cannot stop talking/lecture ... as if only they are great/ perfect /superior ... have the duty to direct / control / manipulate / change the world ...

The world now again see the stupidity of the intellect from Lenin Marxists disciples: Obama, Kerry, Abe, Hollande, Merkel, Dems ...

Obama ...is an exactly sample... talk too much like a stupid childish dogmatic dreamer anywhere he arrive, anytime he has the opportunity

Obama care, national debt, CIA Obama war in Libya, Syria, dems violence ... prove Obama ... the most dogmatic, self-brainwashed, black racist, stupid, careless, arrogant, spending, abusive, childish, dangerous, talkative, indecency behavior ... POTUS

https://www.facebook.com/permalink.php?story_fbid=348238195527537&id=100010240777404

Kissinger, Obama, cộng sản, những người giáo điều... là loại người thích lý thuyết giống như các giáo sư đại học, các chuyên gia giảng viên ... Họ sẽ không thể hoạt động nếu không có một lý thuyết đi kèm ... giống như cộng sản phải luôn có kế hoạch cho mọi việc ...

Giống như các thanh niên mới lớn họ nói .. thao thao bất tuyệt.. về các giấc mơ tưởng tượng rất hợp lý như tiểu thuyết... như ta thường thấy các cán bộ trẻ VC 19 tuổi dạy các cải tạo Tiến sĩ luật sư trên 60 tuổi về cách sống ...

https://www.facebook.com/permalink.php?story_fbid=343652029319487&id=100010240777404

Idealists basically can talk/speak as they know everything, their speech never ending ... Their speech is reasonable easy to persuade the others... That is why communists theory like Marx still working and easy to fool the young and the poor Idealists always have plans 5 years, 10 years, 20 years ... their plans and vision are very very logic ...

The dangerous is that: The more people talk to the talk the more they believe in their talk ... the more they believe in their talk, the more they ignore the real thing and totally live in beautiful dream.... the beautify dream pushes them into action ...it leads them to do the most evil action... "The End justify the Mean"

Anyway, what is the problem for the very very logic and persuadable plans/ideas/theories ???

Generally a theory or an idea cannot be defeat by another idea/theory ... because theory is a product of the wandering mind ... It may be changed by time ... It cannot defeat until it actually applies to the real world and fails like communism ...

Why it fails? why all idealist are talkative ???

"The limitation of human sense & mind ". Theory and idea communicate through words and language.... unfortunately word and language has its limit...people mostly cannot think and explain their thinking without words ... it cannot explain/describe everything ... Mostly, one theory cannot be defeated by another theory at the same time, because both of them based limitation of word and language... (for example in 1900s there are no words like HIV, ZIKA, fallacy argument..).

If you use 30% color red + 40% color white + 2% color Blue ... What is the result color? there are million different colors, but human mind can distinguish and name just a few...

"Human self-interested nature" ...In addition to Human limitation, Socialism, Globalism, Communism .. the product of idealism failed because Bureaucrats and politicians are just as self-interested as the rest of us.corrupt, dishonest, unscrupulous, dishonorable, unprincipled, unethical,.. The big government doesn't act. Some people in the government, in UN ... act... ..

Socialism + globalism kill all competition / motivation to invent

Human limitation + human self interest should be guarded against by limitation on all government level, limit it size, limit it power, limit its long plans, limit its human resource, limit it use of national taxpayers money, limit it form a corrupted national gang or international crooks

Real competition and the opposition is the best way to guard against the defect of human mind

Obama abused executive orders, by pass congress, ignore the opposition is unacceptable ... should be put in jail

For high education, are you richer than Bill Gates, Smarter than Steven Jobs, more moral than Jesus, Buddha ...???

Thiên tài hay May mắn
Change and Genius.

"... Cho rằng đời sống của nhân loại có thể chỉ huy bằng lý trí là phủ nhận khả năng tồn tại của sự sống
Nếu chúng ta thừa nhận như các sử gia rằng các vĩ nhân dắt dẫn nhân loại tới những mục đích nhất định ... hoặc sự cường thịnh của Nga hay của Pháp, hoặc là thế quân binh của Châu Âu, hoặc là truyền bá những tư tưởng cách mạng, hoặc là sự tiến bộ của thế giới, hoặc bất kỳ cái gì đi nữa ... thì không sao giải thích được những biến cố lịch sử mà không dùng đến ý niệm ngẫu nhiên và thiên tài"

The nature of dogmatic socialist + globalist is tyranny, cannot accept the difference ... and go by the End justify the Mean ... like obama by pass congress, obama disregard the opposition the dogmatists basically want to do something (that the prudent people avoid) ... for example obama historically stupid invoke the painful war WW II Pearl Harbor + Hiroshima He never understand: "the current generation do not need to take responsibility for what the previous generation did in the past"

Obama invoke racism ...

Morgan Freeman: " How to stop Racism ??? stop talking about it I am going to stop calling you a while man and I am going to ask you to stop calling me a black man"

<https://www.facebook.com/profile.php...>

Dogmatists like communists can kill the entire generation to create a better world of equality ...

Dogmatists like Nazi can kill all of the inferior race based on their belief

True History???? . Impossible
Hoàn toàn tin vào các sử gia , tin vào sách vở ??? giáo điều dogmatic ????

www.facebook.com/permalink.php?story_fbid=381138652237491&id=100010240777404

" Trước hết sử gia miêu tả hoạt động của một vài nhân vật cá biệt mà họ cho là dắt dẫn nhân loại. ... (Người thì cho rằng chỉ có vua chúa , tướng lãnh, thủ tướng .. mới có thể làm chuyện dẫn dắt ... Người khác thì kể thêm một vài loại người khác như các nhà hùng biện, các bác học, các nhà cải cách, các triết gia, và thi sĩ)

Kể đến các sử gia hiện đại tự cho rằng mình biết được mục đích mà nhân loại sẽ tiến tới: .. người thì cho là sẽ tiến tới sự vĩ đại của Đế quốc La mã, Y Pha nho, Pháp người khác thì cho rằng nhân loại sẽ tiến tới Tự do, Bình đẳng, hoặc một kiểu văn minh nào đó thuộc về Châu Âu "

How to avoid become dogmatist ???

There is a simple saying that can help people escape the trap of socialism, dogmatism, globalism, ... stop violence on the others and interfere on other nation affairs:

Mother Teresa: "Go home and love your family"..

Instead of changing the world for better place, change your nation, ...
Instead of changing your nation for better, change your family

There is a simple saying that can help people escape the trap of socialism ... including Nazi superior race socialism, Fascist socialism, Big Asia socialism, Communist socialism, Globalist socialism, Democrat socialism, Muslim socialism

Mother Teresa: "Go home and love your family"..

Instead of changing the world for better place, change your nation, ... Instead of changing your nation for better, change your family ...Instead of changing your family for better, change yourself for better ... It leads to your family happiness, national prosperity, and the world peace and stability
