American population includes:  
 Christian 75%, Atheist 19%, Other religion 6%

It is ridiculous to say US as Atheist nation .... Atheist or not Atheist .... It is the choice .... We cannot say both or mix of non Atheist and non-non Atheist .... or using any disguised label ...

I am a true Buddhist ... However ...

We must choose Christian, Atheist, or other religion to represent the will + culture of American ... no wandering / fantasy mind .... for example if a nation has 60% Chinese, then that nation is China, cannot label Russia... If 60% Muslim, that nation is Islam ....

Why we cannot say US is Christian nation ???? Why we deny 75% American believe in God and comply the view of 19% Atheist ???

Forget about globalism, internationalism, socialism ... all of that is the product of pure rationalization .... Some of nations declare as Muslim nation, some are Buddhist , the communists declare Atheist ... to be or not to be ....

[https://www.facebook.com/permalink.php?story\\_fbid=396507254033964&id=100010240777404](https://www.facebook.com/permalink.php?story_fbid=396507254033964&id=100010240777404)

Citizen is attacked / assaulted at any time just because of their MAGA hat or shirt .... POTUS and other American are threatened for assassination .... 1.7 million of 1.7 billion Muslim vows to kill Christian ..... What is the law of USA and the Constitution ???? It is interpreted by the mind that always wandering + fantasy .. pure rationalization ... of DEMS+GOP judge who always follow dogma ...

James Robart is an example of the judge wandering / fantasy mind .... the committed fallacy of emotion to consider the refugees' convenience instead of American Safety ..... one divine judge can erase the will of 75% American vote ...

American cannot let dangerous people enter US just because they are Muslim

[facebook.com/permalink.php?story\\_fbid=396507254033964&id=100010240777404](https://www.facebook.com/permalink.php?story_fbid=396507254033964&id=100010240777404)

The problem with The Three Branches of Government is that the Judicial (Supreme Court and some lower Courts) is not come from the American Vote ... The Judicial is for DEMS+GOP politics not American as the whole....They are like communists in 1930s using the rationalization for everything ..... pure rationalization .... For example 75% American against abortion ... but SCOTUS can against the Will of American by pro-abortion ..... Even against 80% or 90% American Vote with the so-called judge / politician of the highest intellectual of human beings.

No one can touch the judge who serve the globalists of UN, EU, foreign agenda .... American cannot vote them out .... The only thing judges are scared of is the assassination of their own party ....

The Judicial also need a term limit to match the Will of American that always changing by time ..... and in case of the brain of the Judge + politicians burned out, infected by the disease of globalism / socialism / communism / Radical Islam / Teen nudes Photos ....

Look at the fall of socialism, .... then will understand the dangerous of the mind that always wandering / fantasy... ideology + pure rationalization ... ..then will understand the globalism,..... and then give up your arrogant ... then easily tolerance the difference .. then know how to listen the voice of American as well as other nations ... and all human beings

There should be no such highest level of intellectual above American Will ...

Do you still believe in their intellectual ??? Impartial? Read this fact: ... White always make law benefit white, black benefit black, man for man, woman for

The theory "the Veil of ignorance" by John Rawls:

The absolute justice exists only if : .....

" ..... no one knows his place in society, his class position or social status; nor does he know his fortune in the distribution of natural assets and abilities, his intelligence and strength, and the like." [1] The idea of the thought experiment is to render obsolete those personal considerations that are morally irrelevant to the justice or injustice of principles meant to allocate the benefits of social cooperation. The veil of ignorance is part of a long tradition of thinking in terms of a social contract. The writings of Immanuel Kant, Thomas Hobbes, John Locke, Jean Jacques Rousseau, and Thomas Jefferson offer examples of this tradition..... "

When a mad woman is dangerous, threaten the life of the others, she must be in jail .... It is not about discrimination on sexism

When refugees come from the 7 nations that threaten to kill American, they must be selected carefully and ban for our children safety ...

If the refugees is Muslim, a woman, an old man, a Mexican ... it does not mean we have to let them in

-----  
" ..... The Will, generally, is that faculty of the mind which selects, at the moment of decision, the strongest desire from among the various desires present. Will does not refer to any particular desire, but rather to the capacity to act decisively on one's desires. Within philosophy the will is important as one of the distinct parts of the mind, along with reason and understanding. It is considered important in ethics because of its central role in enabling a person to act deliberately ....."

USA should update the system to reflect the Will of American ... And the Will of American does not need to match the will of African nations, globalists, or UN ... or any kind of stupidity of the intellect / dogma

State rights must represent the Will of the People ... not by wandering + fantasy mind + ideology + pure rationalization ... ..

Constitution must make sure to prevent the human self-interest ....

There are two ways for USA specific situation to rest in peace and stop all rioters, violence, bullying, ....

1) The OPEN CARRYING OF FIREARMS (without concealed permit as long as legally purchase) can deter rioters + violence as long as law enforcement are afraid of falling the trap of Obama Dems like Syria, Libya ..... let Citizen protect themself by deterring the evil.. ..OPEN CARRYING OF FIREARMS will cause rioters kill rioters .... and Rioters keep themself away from Good citizen.... in case of civil war, good citizen can finish the dEMs rioters without mercy and no need for Government Intervention ...

2) The best way to make USA in peace is new Trump FBI, CIA, DOJ, SCOTUS ..bring all criminals to the court: Obama (start with birth certificate), Hillary (email), Bill (Clinton foundation), Comey, Lynch, Soro, all millionaires, billionaires crooked politicians...Media lying, fake poll, fake news, Madam president printing ... (CNN, ABC, CBS, NewYork Times, Washington Post ... ..)..... machine voting fraud, dead/illegal vote ..... burning flag ... inciting hatred violence..... Cho rằng đời sống của nhân loại có thể chỉ huy bằng lý trí là phủ nhận khả năng tồn tại của sự sống  
Nếu chúng ta thừa nhận như các sử gia rằng các vĩ nhân dắt dẫn nhân loại tới những mục đích nhất định ... hoặc sự cường thịnh của Nga hay của Pháp, hoặc là thế quân binh của Châu Âu, hoặc là truyền bá những tư tưởng cách mạng, hoặc là sự tiến bộ của thế giới, hoặc bất kỳ cái gì đi nữa ... thì không sao giải thích được những biến cố lịch sử mà không dùng đến ý niệm ngẫu nhiên và thiên tài ..

Thiên tài hay May mắn

Nếu mục đích của các cuộc chiến tranh Châu Âu ở đầu thế kỷ 19 là sự cường thịnh của Nga .... thì nó có thể đạt được mà không cần đến tất cả những cuộc chiến tranh xảy ra trước cuộc xâm lăng Nga, mà cũng chẳng cần phải có cuộc Cách Mạng, và không cần có Đế Chế ... Nếu mục đích đó là sự truyền bá tư tưởng thì công việc án lột sách báo còn có kết quả nhiều hơn là sự cần thiết của quân đội ... Nếu mục đích đó là sự tiến bộ của văn minh thì chẳng khó khăn gì cùng nhận ra rằng có những cách hiệu nghiệm hơn các cách bắn giết con người và tiêu hủy tài sản để truyền bá văn minh.

Tại sao sự việc xảy ra như thế này mà không xảy ra khác đi ???

" Sự ngẫu nhiên đã tạo ra một tình thế nào đó, rồi các bậc thiên tài đã lợi dụng tình thế " Lịch sử cho là như vậy ... Nhưng ngẫu nhiên là gì ??? Thiên tài là gì ???

If the aim of the European wars at the beginning of the nineteenth century had been the aggrandizement of Russia, that aim might have been accomplished without all the preceding wars and without the invasion. If the aim was the aggrandizement of France, that might have been attained without the Revolution and without the Empire. If the aim was the dissemination of ideas, the printing press could have accomplished that much better than warfare. If the aim was the progress of civilization, it is easy to see that there are other ways of diffusing civilization more expedient than by the destruction of wealth and of human lives.

Why did it happen in this and not in some other way?

Because it happened so! "Chance created the situation; genius utilized it," says history.

But what is chance? What is genius?

Những từ Ngẫu nhiên và Thiên tài không chỉ một cái gì thực có cả, cho nên không thể định nghĩa được ... Những danh từ ấy chỉ diễn tả một trình độ nào đó của sự biết về các hiện tượng .... Khi tôi không biết tại sao một hiện tượng nào đó xảy ra; tôi cho rằng tôi không có khả năng biết được, vì vậy tôi không muốn cố gắng tìm hiểu nữa, và tôi cho điều đó là Ngẫu nhiên. .... Khi tôi thấy một sức mạnh gây ra một tác động vượt hẳn những năng lực thông thường của con người; tôi cũng không hiểu tại sao lại xảy ra như vậy và tôi cho đó là Thiên tài.

Một con cừu mà mỗi buổi chiều được người chăn cừu dắt vào một chuồng riêng, săn sóc riêng, con cừu trở nên mập béo gấp hai các con cừu khác, thì những con cừu ốm khác phải cho rằng con cừu béo là một thiên tài .... Và cái hiện tượng vẫn con cừu đó được dắt vào một chuồng riêng, không nhốt chung, để được ăn riêng cái phần kiều

The words chance and genius do not denote any really existing thing and therefore cannot be defined. Those words only denote a certain stage of understanding of phenomena. I do not know why a certain event occurs; I think that I cannot know it; so I do not try to know it and I talk about chance. I see a force producing effects beyond the scope of ordinary human agencies; I do not understand why this occurs and I talk of genius.

To a herd of rams, the ram the herdsman drives each evening into a special enclosure to feed and that becomes twice as fat as the others must seem to be a genius. And it must appear an astonishing conjunction of genius with a whole series of extraordinary chances that this ram, who instead of getting into the general fold every evening goes into a special enclosure where there are oats--that this very ram, welling with fat, is killed for meat.

Lich Tran ----- Trump ban arguments -----

WASHINGTON — The federal judge who halted President Donald Trump's travel ban was wrong in stating that no one from the seven countries targeted in Trump's order has been arrested for extremism in the United States since the 2001 terrorist attacks. .... an Iraqi refugee living in Texas ... a Somali refugee injured 11 in a car-and-knife attack at Ohio ....

The seven nations targeted by Trump in his immigration ban were originally identified in an anti-terrorism law signed by President Obama.

Absence of Standing to Sue .... Foreigners Do Not Enjoy Constitutional Rights ....The President Has Authority to Dictate Immigration ... Trump's Executive Order Is Temporary ...

<http://www.wnd.com/.../travel-ban-judge-makes-decision.../>

In its argument for an appeal, the Justice Department said the president had an "unreviewable authority" to suspend the entry of any class of foreigners. It said the ruling by Judge Robart was too broad, "untethered" to the claims of the state of Washington, and in conflict with a ruling by another federal district judge, in Boston, who had upheld the order.

The Justice Department argued that the president acted well within his constitutional authority. Blocking the order, it concluded, "immediately harms the public by thwarting enforcement of an Executive Order issued by the President, based on his national security judgment."
