The problem with Starbucks , Pope Francis, Holly Wood, UN, EU, dems, and other liberals ... is that they forget 75% US population is Christian ... and the Muslim refugees are different from all refugees in the past .... 17 million Muslim of 1.7 billion vow to kill all American, especially all Christian ... Masked man like ISIS, Mexican agents ... every where attack, assault, battery Citizen just because of their MAGA hat / shirt / car ... They boldly incited assassination on POTUS family and other citizen ...

Moreover some states such as CA under control of Mexico Gov., the big boss of all drugs cartel ... Even Police Chief and top gov. officers of San Jose, Santa Ana, LA, San Francisco, San Diego under direction of Mexico agents ... do nothing when masked man attacked US citizen ...

Mexico is the center of the world drugs ... the main gate to import drug + terrorists into USA ..... Mexico is the most influenced nation on US election ... They interfered in USA politics + affairs without any hesitate ... Mexico is the threat for US peace .... If there is a war, It must be the war for US against Mexico ....

Do not forget Muslim mind set and the brutal Islam history

The Quran's verses of violences

<http://www.thereligionofpeace.com/pages/quran/violence.aspx>

When one looks beyond our myopic focus, Islam is the greatest killing machine in the history of mankind, bar none.

The Islamic conquest of India is probably the bloodiest story in history. -- Will Durant, as quoted on Daniel Pipes site.

Conservative estimates place the number at 80 million dead Indians.

According to some calculations, the Indian (subcontinent) population decreased by 80 million between 1000 (conquest of Afghanistan) and 1525 (end of Delhi Sultanate). -- Koenrad Elst as quoted on Daniel Pipes site
