Be Patient like Mr. President Trump who know how to deal ...

[facebook.com/permalink.php?story_fbid=390153958002627&id=100010240777404](https://www.facebook.com/permalink.php?story_fbid=390153958002627&id=100010240777404)

There are two ways for USA specific situation to rest in peace and stop all rioters, violence, bullying,

1) The OPEN CARRYING OF FIREARMS (without concealed permit as long as legally purchase) can deter rioters + violence as long as law enforcement are afraid of falling the trap of Obama Dems like Syria, Libya let Citizen protect themself by deterring the evil... ..OPEN CARRYING OF FIREARMS will cause rioters kill rioters and Rioters keep themself away from Good citizen.... in case of civil war, good citizen can finish the dEms rioters without mercy and no need for Government Intervention ...

2) The best way to make USA in peace is new Trump FBI, CIA, DOJ, SCOTUS ..bring all criminals to the court: Obama (start with birth certificate), Hillary (email), Bill (Clinton foundation), Comey, Lynch, Soro, all millionaires, billionaires crooked politicians...Media lying, fake poll, fake news, Madam president printing ... (CNN, ABC, CBS, NewYork Times, Washington Post)..... machine voting fraud, dead/illegal vote burning flag ... inciting hatred violence..... The truth will make all American happy and heal the wounds of the nation and clean up the brainwashed/indoctrinated mind ...

Democratic Party is the party of murders, liars, hatred, violence, intolerance of the difference, tyrant, inciting civil war, bullying, arrogant It is a big fraud party that always go by the End justify the Mean ...

Obama and Hillary must be in jail now

** There is no statute of limitation for crime in fooling the public of over 310 million American ...

Using fake birth certificate to fool the public of over 310 million American will be hang by ...

Do not underestimate DEMS evil

***MEDIA , DEMS based on ... Ideology + dogmatic + socialism + globalism is the cause of violence + war + corruption + hatred + divisive + racism + tyrant + intolerance of differences + lie + go by the End justify the Means + self-interest + arrogant ...Why ??? Because it comes from the Mind that always wandering + fantasy ... It produces the communist globalism dream of no nation, no flag, borderless, no privacy, citizen of the world, one central government ...

*** Pragmatic + realistic + nationalism is the source of Love, Peace, Happiness, Tolerrance of difference, Selflessness... It comes from the heart

The Ultimate Boss Trump, the entire American can hire the most experience talented not-crooked not-globalist, most expertise like: Giuliani, Gingrich, Mike Pence, Mattis, John Kelly, Ben Carson but not dogmatic, globalist, socialist like Hillary, Obama, Kerry, Biden....

Society peace is just like the world peace.

In 1990s USA became the strongest nation on the world and deterred any evil nation and all evil minds ... It was because previously "We maintain peace through our strength; weakness only invites aggression" (Reagan)

The Buddhist world is racked with violence and it has never been more important to understand Buddhist ethics. These include never acting in anger; exhausting alternatives such as negotiation; striving to capture the enemy alive; avoiding destruction of infrastructure and the environment; and taking responsibility for how one's actions and exploitation cause enemies to arise. They also emphasise the great psychic danger to those who act violently, something we see in the large number of suicides among youth sent to these wars. Above all, rather than "national self-interest", the guiding motivation should be compassion.

"...But if someone has a gun and is trying to kill you, he said, it would be reasonable to shoot back with your own gun. Not at the head, where a fatal wound might result. But at some other body part, such as a leg...."

Martin Luther King, Gandhi and the Dalai Lama all agreed guns are necessary tools in the defense of a peaceful society and personal security. https://www.youtube.com/watch?v=gsBDsjr_FAK

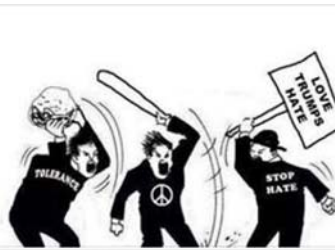

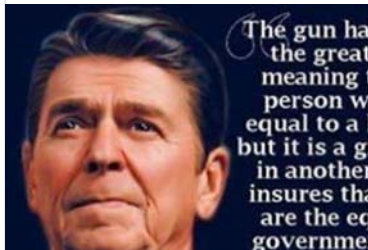

Special Report 6/15- Trump's gun control politics spark controversy; The Dalai Lama Discusses Islam <https://www.youtube.com/watch?v=mIBPwqhIde4>

Dalai Lama reflects on Orlando shooting, banning Muslims https://www.youtube.com/watch?v=qyaDxB_A-Ns

Guns do not kill people, the killing comes from the product of the mind ... the mind is the product of idealism: such as BLM, radical religion, socialism, communism, globalism,civil-ism, individualism, criticism, Darwinism; despotism; realism; witticism; intellectualism

*** DEms, dogmatists, rioters ...go by the End justify the Mean as well as the fury, anger, wrath, outrage .. due to unable to express/explanation... They are the source of hatred + violence

10/26/2016:

Violence, beating, cussing, assassination, lie ... all of the violence resulted from the people who affected / brainwashed / indoctrinated by the ideology, imagination, dogma ... Idealism that create socialism, communism, globalism .. and even with some Religion ... except Christian and Buddhism

Christian: Doing good and selfless sacrifice will be rewarded in heaven

Buddhist: Doing good and selfless sacrifice will be rewarded in next life

Muslim: Making people to obey the law of Allah and you will be rewarded before, now, and later after death

The difference is the persuasion (selfless, compassionate) instead of force by attitude or actions

For the young in the future to remember Dems + Mexico incited hatred, violence

DEms ... Violence, beating, cussing, assassination, lie ...

[facebook.com/permalink.php?story_fbid=345797885771568&id=10001024077404](https://www.facebook.com/permalink.php?story_fbid=345797885771568&id=10001024077404)

Another big difference is that Christian and Buddhists belief that "The world improves, progress in its way ... not by human will... you cannot predict exactly the world in the future All of good things you do cannot change the world ... they just change yourself for better ... and it leads to a better world ..."

Fighting for a good thing because its good imagination goal ... by using bad evil method is called "The End justify the Mean"... usually leads to tyranny, toxic talent ... like Obama Care ignore Congress ... the violence of dems supporters.....

Media + Press look at the rioting masked man/woman ... may be Mexican agents ... Some States such as CA under control of Mexico Gov., the big boss of all drugs cartel ... Even Police Chief and top gov. officers of San Jose, Santa Ana, LA, San Francisco, San Diego under direction of Mexico agents ... do nothing when masked man attacked US citizen ... Mexico agents in US do all dirty work of assassination, murder for dems ... They boldly fight against federal gov. they have their own law ... the sanctuary cities own propaganda media, TV, Press.... Mexico is the center of the world drugs ... the main gate to import drug + terrorists into USA Mexico is the most influenced nation on US election ...
